Selectmen's Meeting

NOVEMBER 19, 1985 - by VIRGINIA ARRAL

JOINT MEETING OF SELECTMEN, DEPARTMENT HEADS AND PERSONNEL BOARD REACHES NO CONCLUSIONS

A joint session last Tuesday of the Board of Selectmen, Personnel Board and town department heads, called by the Personnel Board to receive input from the various departments on job descriptions, maximum and minimum wages and working problems, did not reach the expectations of the Personnel Board Chairman Beverly Posiviata.

Mrs. Posiviata noted that she has been on the board for 10 years and said there has been a need for some time to eliminate the wide range of disparity in wages in the town. She said, "people are leaving town positions and we are learning too late that they are dissatisfied with the wages".

Selectman James F. Huntoon asked the board to clarify if they wanted each person to speak out in public what they think of their jobs and their wages. "I don't feel comfortable with this arrangement. I feel the Personnel Board should speak to each department head first. You (meaning the Personnel Board) are talking about jobs that are currently being filled by particular people and not just jobs in general," said Huntoon.

Selectmen's Executive Secretary Carol Adams explained that the Massachusetts Municipal Association (MMA) will furnish a free estimate of their service charge for an entire salary and job review. She noted this review has been done in Wareham at a cost there of $7,000. "Mattapoisett's would probably be much less, as we are a smaller town."

Mrs. Posiviata said she contacted an official at MMA and was told the town would have to hire a private company for this service. No one notified this board there was free service, she added.

When Mrs. Posiviata said all that was needed was a phone call from the Selectmen's office to let the Personnel Board know about the free service, Selectmen Chairman John DeCosta responded saying "we were going to give you the information at tonight's meeting; however, we didn't know you had called someone and received a negative reply."

Selectman Frank Suzan noted it was an oversight on "our part that we didn't get the information to you".

Paul M. Kelley, fire alarm superintendent, expressed the opinion he is worth $100. per month. He said he had no qualms about general labor getting $4.50 an hour, but there could be a problem with the new law that goes into effect next year where he cannot use town employees. "I feel the Selectmen should have passed the information on to the Personnel Board on the free MMA offer. That's what they need - the information to do their job."

Fire Chief Donald Wood said he needs more time to do his job and time is money. He explained the fire chief's job is not the same as it was 20 years ago. There is a lot of paper work. "I don't know what the new hiring regulations of town employees will do to the added paper work," Wood commented.

A show of hands determined about four department heads are aware of their job de-

scription and of those working under them. Assessor Bruce E. Rocha said his board was aware of their descriptions but disagreed with it. Mrs. Posiviata said letters were sent out to department heads to come in to talk to the board about their complaints.

Huntoon continued to press his point of view that this meeting might tend to put a cloud for department heads to speak in public - they would hesitate to be open. "This free-flow is an insult for them to hear their pay scale bandied about. I recommend a job description be distributed with a questionnaire," said Huntoon. Mrs. Posiviata again stressed there were no personalities involved; "all we want is input".

Manuel R. Nunes, Highway Surveyor, explained most of his crew will be working nights for the next four months what with snow plowing, and at $5. per hour (up recently from $4.50 an hour), it is not enough money to be on the road all night. Private employers pay more so many extra men are lost, Nunes said.

William Nicholson, Water/Sewer Superintendent, asked if the Personnel Board does a spot check in area towns for wages. He said he called 12 towns with varying populations to check on wages for his department for comparison.

Mrs. Posiviata responded saying when a new job comes to them they contact area towns to find out their wage scale. "We do our homework when we need to, as we did recently when a new mechanic was hired in the highway department and again when the

District Nurse's job description changed." She added that in checking comparisons, Mattapoisett has consistently come (in her past 10 years) in the mid-to-high wage scale.

Evelyn Ellis, chairman of the Board of Health, asked if the Personnel Board is going to check wages of elected officials. She felt the $250. per year the members on the Board of Health receive is not sufficient. The Personnel Board members agreed, yes, elected officials' salaries will be checked.

Concerning wages, Mrs. Posiviata noted the police and school employees do not come under the Personnel Board's jurisdiction. "We did recommend that the Town Clerk be given $17,000 like the Town Treasurer, but it was turned down by the Finance Committee, and $16,000 was recommended." She noted that she thought the Personnel Board was a fair board. If everyone was given a raise the voters would have a fit on town meeting floor, she added. She said the board has to consider the taxpayer as well as the employee.

Selectman Suzan pointed out that after examining the Personnel By-Laws new people should be hired at minimum wage, unless proof can be shown they deserve more. The by-laws say employees' personnel file is maintained by the Personnel Board and kept in the town accountant's office. He noted this is the first time he has read the by-law and found out information he wasn't aware of before.

At the conclusion of the meeting, which did not produce any significant information for the Personnel Board, several department heads agreed to make personal appointments

to talk with the board to clarify their department's specific needs and problems.

All Selectmen agreed the town has nothing to lose for asking MMA to do an estimate at no cost, but they would have to go town meeting for funds to pay for the survey. They noted town budgets have to be submitted to the Finance Committee by December 16th for review for the annual town meeting.

In other business, Selectmen:

ENDORSED THE RECOMMENDATION that Maurice Tavares be Old Rochester Regional High School Athletic Department's nominee as the District D South Coast Conference for a service award.

Joao Rodrigues, ORR Athletic Director, wrote to the Board noting each district is allowed one nominee. The District accepted "Mudgie" as its nominee. The award is in recognition of service to high school sports and its athletes. "For as long as I can remember, 'Mudgie' has given of himself and monies to every program here at ORR. He has personally taken high school athletes to stores to buy equipment, sneakers, etc., when they could not afford it.

"Additionally, Mudgie has set an example for kids and adults by the kind of person he is. He provides monies to operate these programs involving kids from many southeast Massachusetts communities with the Mattapoisett Track Club, summer women's basketball league, summer soccer and much more."

As a board a letter will be sent to the South Coast Conference wholeheartedly endorsing Mudgie's nomination for the state award. Each Selectman added his personal commendation of Mudgie's service to the betterment of sports and the youngsters.

WERE NOTIFIED by Governor Michael Dukakis that January 20, 1986 will be celebrated by every citizen in the United States as Martin Luther King, Jr. Day. The Governor asked if the town has established a local King Day Commission, and, if so, who is the contact person.

The Selectmen have no one to recommend but felt the school department might have a suggestion.

RECEIVED A LETTER from Mort Zajac, 9 Grand View Avenue, requesting the Selectmen and Building Inspector withhold any permits on construction at Lot 128, Bay View Avenue, because of his concern for the pollution of ground water supply and other environmental issues.

Zajac also wrote to the Board of Health expressing his concern for ground water contamination due to passing of the percolater test. If the town is unwilling to pay for a re-test, Zajac said he and other abutters would be willing to pay for an independent re-evaluation. His concerns were also sent to the Conservation Commission.

ADDITIONAL COMPLAINT LETTERS were received by the Building Inspector, David Crook, concerning the conditions at 56 Ocean Drive, owned by Conrad Roy.

Alan H. Vaitses, 32 Ocean Drive, noted the screening on the Roy property ordered on June 6, 1984, has not been fully complied with as well as other zoning and building violations. A letter from Harry Coker and Jean E. Bullard of 17 Pleasant View Avenue noted objections to the screening and requested an investigation

Bennington Puppets - Dec. 7

Saturday afternoon, December 7th, the renowned Bennington Puppets will present that tale of daring, excitement and magic, The Little Thief of Baghdad. The Arabian Nights characters are no bigger than 30 inches tall, yet five minutes into the story they're bigger than life and look real. Their flying carpets, genies, wizards and mysterious happenings never fail

have an accurate count to order the meals.

The speaker for the evening will be Mr. Norman A. Tougas, Supervising Inspector for Underwriters Laboratories, Inc.

Mattapoisett Council on Aging

COUNCIL ON AGING RECEIVES GRANT

Senator William Q. MacLean, Jr. (D-Fairhaven) is pleased to announce that the Mattapoisett Council on Aging has received an award of $1,591 under the Executive Office of Elder Affairs' Fiscal Year 1986 Formula Grant Program.

Mattapoisett's award specifically will be used to hire a bus driver and pay for gasoline to extend the bus transportation program.

Approximately $1,700,000 was allocated to municipalities throughout Massachusetts. Funds are used for a variety of purposes and complement more than $10.5 million in local appropriations for Council activities. The awards to the State Councils on Aging reflect a 17% increase from last year and were allocated to each city or town based on elder population.

Senator MacLean expressed his happiness about this award, remarking, "Hopefully, these funds will continue to promote elder independence. In addition, the grant will

Seniors Invited to Concert

MATTAPOISETT COUNCIL ON AGING

Mattapoisett Seniors have been invited to attend an afternoon of song and refreshment to celebrate the Christmas season. The concert is being given by the Old Rochester Regional Junior-Senior High School Choruses, under the direction of Miss Susan Coyle, and will be held at 1:00 p.m. on Friday, December 6th, in the Junior High School cafeteria. Please phone the Council on Aging if you wish to go (telephone 758-3758). For those of you having cars available go there at 1:00 o'clock. For those needing transportation the Van or cars will leave St. Anthony's parking lot between 1:15 and 1:30 p.m. Please call us so we can let the school know how many are going.

Harold Roeder reminds us to inform you that there are still a few tickets left for the Christmas Party at the Providence Marriott Hotel on Wednesday, December 11. The tickets include both transportation and dinner party ($12.50). The bus will leave the parking lot at 10:30 a.m.

Sippican Seniors

Dorothy Boardman presided at the November meeting of Sippican Seniors of Marion at St. Gabriel's Hall, aided by newly appointed treasurer Richard Lagreze and secretary Jean Olivierko.

Blood Pressure Clinic will be held Thursday, December 5th, at the Visiting Nurses' Office and will be held every other month.

A 4-day Canadian trip is being planned for May.

On Monday, December 9th, the annual Christmas dinner party will be held at the Frigate Steakhouse restaurant with a gift exchange and Yuletide festivities.

Annie Giberti announced the group had donated over 5000 Campbell Soup labels to benefit Sippican School.

An hour of Bingo followed refreshments served by Hostess Chairman Mabel Robertson, assisted by Sara Gibbs, Hazel Johnson, Ruby McNayer, Edna Serpa, Idella Taber, all of Marion, and Clementine Chromik and Alice Phinney of Wareham.

Help Is Here.

Fairhaven Savings Bank Opens In Mattapoisett.

Sometimes help arrives in strange ways.

The mobile unit you see outside the former Plymouth National Bank location is our temporary office.

Of course, we could have waited for our new office to be completed before we opened for business. But that's not until January 6. And good help is something that just can't wait.

So drop by our banking Winnebago. If you're not a Fairhaven customer, we'll help you open a new account. If you already bank at one of our other branches, our temporary office could save you some time. You can make deposits, loan payments, even apply for a loan or a 24-hour teller card.

For the time being our banking hours are Monday, Tuesday, Thursday, 8:30-3:00; Wednesday, 8:30-noon; Friday, 8:30-6:00.

Need more information? Call Jean Holt at 999-2961.

So whatever your banking needs, please stop by. Because help is here to stay.

This is the challenge that Dean F. Nelsen, 43, of 12 Harbor Road, Mattapoisett faces six months at a time, as Master of the American Kentucky, the largest container vessel in the private company of the United States Line. A smaller, similar company vessel was named in the 1984 Guinness Book of Records for having carried 2242 containers. Nelsen said the Kentucky at 959 feet will carry more and the company realizes a revenue of $9.3 million in six weeks for carrying its cargoes to their destinations.

One of 12 in this class, the American Kentucky, the newest in the fleet, was launched in March of this year and drew worldwide attention at its launching when it was written about in the New York Times and Newsweek, and the foreign press. Nelsen displayed a bronze and mahogany plaque in the form of the logo of the Sandy Hook Pilots' Association 1694-1985, presented to him on the occasion of the maiden voyage of the Kentucky to the Port of New York.

Nelsen's comments about his initial feelings when he received his appointment to the Kentucky was, "I was scared stiff! These ships are fantastic - and the job has since become a challenging one. The

ship is the finest in a worldwide highly competitive class."

The vessel touches base in three ports in the United States - Long Beach, California; Savannah, Georgia; and New York. Because of the height of the low bridge in Savannah, the ship could not be built too high, even after moving around 900 tons of ballast.

Nelsen said the main engine - a Suler diesel GRLS90, has seven cylinders, each piston three feet in diameter, six feet high and each piston stroke is six meters. "Imagine", Nelsen contemplated, "the 100-ton engine alone is taller than the clock at Center School - these figures are mind-boggling. It's difficult for the average person to realize the enormous size of these vessels." He added, "Someone once asked me if the ship could go through the Cape Cod Canal, and I told him no way would the ship fit through the canal."

Nelsen, who is a native of Lexington, Nebraska, said he attended Craig University in Omaha for one year, then was offered an appointment to a federal academy - he chose Kings Point, New York, Maritime Academy. Even though he lived in the midwest and was not familiar with the ocean, he felt he would like to go to sea.

He still has a love for the rugged west which was evident when this reporter arrived at his home. Nelsen was listening to a television show on Montana and he had a map of that state spread out on the table. Thinking at first the maps were charts of his voyages, he assured us he was not working on his time off.

He explained that during his six months off it's really not all free time. He recently returned from a 2-week company paid "simulator course" at the Maritime Institute of Technology and Graduate Studies in Baltimore, Maryland.

He explained the building houses a complete reproduction of a ship's bridge down to the last detail and various problems and situations a captain might encounter are simulated with solutions to these problems.

This is just an ongoing updating of skill, he noted. He also attended an intensive Paramedic Training Course which concerned emergency situations he could encounter with his 21-member crew. He added that he is responsible for the health of his crew, as there is no doctor aboard. He said he has had to work a three-way communications conversation among the Baltimore Institute doctors, the patient and himself to handle a more complicated medical emergency.

Since his graduation from Kings Point 20 years ago, he has served on other ships - the most recent one was the 610 foot "Resolution", also a container ship sailing to South Africa. This one held nine hatches,

as compared to 20 hatches on the Kentucky. "The containers," he explained, "are basically just that, a box. We carry anything you can put in a box - even cars and bulldozers. We have some tanks that carry fluids."

He continued, "The Kentucky is the largest ship you can put through the Panama Canal and just about the widest - the canal is 110 feet wide and the Kentucky is 106 feet wide - this leaves two feet on each side and requires a lot of maneuvering. It takes four pilots and eight locomotives to pull the vessel through the canal.

"Among other cargo the vessel carries, there is a 40 foot by 90 foot area under the bridge left for large items, such as yachts. In August we carried two of the 12-meter America's Cup boats and the whole flotilla, destined for Australia for the next America's Cup Races. Their value was estimated at $12 million and I hired armed guards for fear of terrorism."

When asked what countries he goes to, he replied, "around the world". He outlined a typical course which begins at New York and goes to Rotterdam, Marseilles through the Suez Canal to the Red Sea to Jidda, Saudi Arabia (the Port of Entry to Mecca), Gulf of Aden, Kohra lel Fakkan (Bay of Fakkan), Indian Ocean, Sri Lanka to Singapore.

Lest you think he "has it made with six months off", Nelsen's work day starts at 6 a.m. and ends at 1 a.m. if he's lucky - many times not until 3 a.m. going through certain areas where there are mine fields and terrorist threats. "Sometimes I don't sleep for two days at a time.

"Then of course, there are pirates to contend with," he says nonchalantly. "In the Straits of Malacca, men in high speed boats force their way aboard and rob the captain and crew. Sometimes they are interested in a certain container, and they know just what it holds."

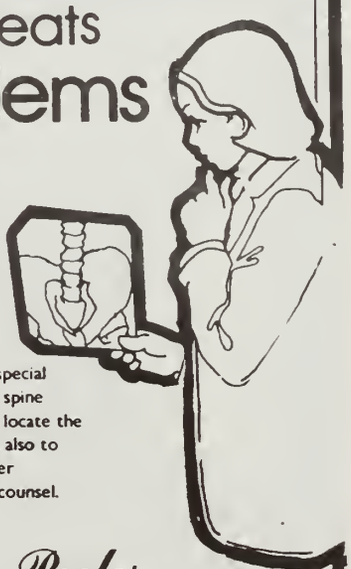
problem areas, computer readouts and charts show the job isn't all at sea; there are other responsibilities a capable captain has to deal with.

The vessel is so large that you can't slow it down too quickly, said Nelsen. It has to be done with a computer. There are certain rules of the road you have to follow at sea, the same as on the highways. "If we are on a collision course the radar picks it up and makes a computer change. The Straits of Singapore is the busiest place to maneuver; however, those in charge of shipping lanes know we are coming and, hopefully, arrange a safe passage through the strait."

Married to the former Doreen F. Sylvia of Mattapoisett, the couple has two boys, Derek, age 11, and Craig, age 13. A lovely painting adorns the wall of the kitchen with Chinese script reading Dean Nelsen, Doreen, Craig and Derek, with an added poem on the subject of family. Nelsen

Here's how
Chiropractic treats
Back Problems



Persistent or recurring aches in the lower back and limbs may suggest a possible lower spinal or pelvic problem. This often requires a structural correction of the cause in order to relieve the condition. Although drugs may hide the pain temporarily, the spine and sacroiliac must be aligned to their proper position for normal function.

The doctor of chiropractic has made a special study of conditions related to the sacroiliac, spine and nervous system. She seeks to not only locate the problem and give relief from symptoms, but also to correct the fundamental cause as well as offer preventive, rehabilitation, and maintenance counsel.

SOMEONE IS SNEAKING UP ON YOU

Old man winter is on his way with his usual bagful of dirty tricks. Coughs, sneezes, sore throats, stuffy noses, chest colds and the like. Staying out of his path is a tough job and chances are all of us will be affected at one time or another.

Professional advice on "over-the-counter" non-prescription medicines for simple colds is a most important part of our pharmacy service. Naturally, for anything more serious you should consult with your physician. He can prescribe more potent medication to help you recover quickly.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

said in his travels he visited a school in Taiwan where students were learning Chinese calligraphy. The painting was a gift from Chinese friends, Nelsen said.

Admittedly it is difficult for his wife and boys for him to be away for such long periods of time, but "we've learned to adjust", he said. "My company wanted to send me off around Christmas time for another refresher course, but I told them 'no way do I want to be away during the holidays because this is a time for families to be together'". And the Dean Nelsen family will be together at Thanksgiving and Christmas.

HOLIDAY WREATHS PRESENTED TO NURSING HOME

Mrs. William Betts, Community Affairs Chairman, and four members of the Garden Group of the Mattapoisett Woman's Club, presented the Mattapoisett Nursing Home on November 21 with 20 small holiday wreaths constructed at a Garden Workshop early in November. Made of grapevines and trimmed with dried flowers and herbs, the members hoped they would be an expression of sharing and remembrance during the coming holiday season. Representing the Garden Group were Mrs. Frank Suzan, Mrs. James Shepley, Mrs. George Reade and Mrs. Edwin Hutchinson, Chairman.

QUILTING GROUP

On Tuesday, November 5th, members of the Quilting Group of the Mattapoisett Woman's Club enjoyed a day trip to select colors and fabrics for our next group quilt. The November 19th meeting was hosted by Marian Watson with a Cathedral Window workshop by Helen Hall. There will be no meetings during December due to holiday activities.

The group quilt, "Grandmother's Flower Garden", is being displayed at the Matta-

Fair Noel

Fair Noel 1985 will be held Saturday, December 7th, from 11 to 2 at St. Gabriel's Episcopal Church, South Street, Marion. The boutique at this year's fair contains many hand-crafted and gift items as well as handmade ornaments. The trinkets and treasures room has an amazing assortment of unusual things ranging from jewelry to antique silver and china to linens and lamps. The food table includes everything from hors d'oeuvres to desserts to simplify your holiday entertaining. New at this year's fair is "A spirited Noel". These are cakes made with spirits. They will be available in gift boxes and will remain fresh until Christmas (if you can wait that long!). This year's raffle items include a hand-smocked dress, a needlepoint pillow, a box with a needlepoint top, and a hand-crafted doll cradle as well as the traditional Christmas tree with lights. Wreaths and poinsettias will be available. Delivery in the Tri-Town area will be offered for those wishing to give poinsettias as gifts. A delicious luncheon will be served by the men of the parish. Come early for the best selection.

ceremony by Advisor Barbara Meehan. The formal ceremony was organized and run by the Honor Society officers: Christine Knight, President; Brian Reid, Vice President; David Tremblay, Vice President; Diane Larsen, Treasurer; Cary Tripp, Secretary. Miss Knight introduced the inductees and administered the National Honor Society Oath. The other officers gave brief talks on scholarship, leadership, service and character which are the qualifications required of Honor Society members.

James Shannon, English Department Co-ordinator at Old Rochester, was the guest speaker. Mr. Shannon congratulated the inductees and their parents. The theme of his talk was character without which the other membership qualities become meaningless. Mr. Shannon pointed out that character is a quality that needs to be nurtured throughout life.

Following the ceremony, a reception was held for the new members and their families.

WEEKLY WALK TO STUDY WATERFOWL

Waterfowl winter in the waters of southeastern Massachusetts in very large numbers. On Sunday, December 1st, at 9:00 a.m. the Lloyd Center for Environmental Studies is offering a weekly walk which will introduce the many species of waterfowl, where to find them and how to identify them in the various plumages observable at this time of year. As part of the Center's Research Program, a comprehensive survey of birdlife is underway for our area. Research

Assistant Robert Marshall will lead this walk and emphasize research results in this program. There is no cost for this weekly walk although registration is required and can be made by calling the Lloyd Center at 990-0505.

Waterfowl include ducks, geese, swans and several duck-like birds including mergansers, loons and grebes. Lloyd Center bird inventories of late have identified red-breasted mergansers, common and red-throated loons, snow geese and many other ducks which inhabit our waters exclusively during the winter months. Many of the males of these species take on a different, less easily identifiable, plumage at this time of year, and Robert Marshall will discuss the plumage changes and identify the many different types of behaviors of each species.

The walk will begin at the Lloyd Center and the group will car-pool to the best birding sights found through our research the previous week. Dress warmly and bring a pair of binoculars and spotting scope if you have one. This weekly walk and all others for 1985 have been offered free thanks to a donation for Marianne MacDonald Real Estate.

exercises to promote fitness and sound bodies, and activity songs for rhythm and movement. Hands-on materials include lummi sticks, hoops, balls, bean bags, clickers and shakers. The focus of each class involves having one parent or adult participating with their child.

Instructor for the classes is Patti Loring of Duxbury, a teacher of pre-ballet and elementary classical ballet. She is the Director of Discoveries, a faculty member of the Children's Ballet Workshop in Hingham, and the parent of two pre-schoolers.

Cost of each class is $3. for adult and child. Please call the Museum at 993-3361 for registration and additional information. The Children's Museum is located at 276 Gulf Road in South Dartmouth.

Rochester Votes for American Cable

The Rochester Board of Selectmen has awarded the town's cable franchise to American Cablesystems Corporation of Beverly, MA.

At a public meeting October 23, the board voted to award the license to American because of the company's "outstanding track record", its "solid reputation for customer service" and because it submitted a proposal that the local licensing authority felt was "highly tailored" to the town.

MATTAPOISETT --Off Mattapoisett Neck Rd.

This property offers a quiet corner lot on approximately 1/2 acre. This charming antique 2 story Cape has been completely remodeled and offers a kitchen with beamed cathedral ceiling and Jen Air range top. A combination livingroom/diningroom boasts French doors leading to a deck and pool. The first floor also includes a bedroom and bath. The second floor offers 2 bedrooms and the possibility of a second bath. The house is fully insulated and a solar room has been added to make this home energy efficient. Many extras are included. $145,000.

Under the agreement, American plans to extend its 300 MHz line from the adjoining town of Marion in order to offer service to the 873 homes in Rochester.

According to American General Manager Steve Grossman, who manages American's 6,700 subscriber system in Marion, Wareham, and Mattapoisett along with other American systems on Cape Cod, the company hopes to sign a final license and begin construction by the start of 1986.

The award of the Rochester license increases to 26 the number of Massachusetts communities served by American.

One of the 30 largest cable operators in the country, American is a seven-year old, privately-held Massachusetts-based company with more than 300,000 subscribers in seven states.

American Legion

The regular meeting of the Florence Eastman Post 280, American Legion was held at Post Headquarters on Wednesday, November 20th, at 7:30 p.m.

It was voted to give $50.00 to the Tobey Hospital Annual Appeal this year.

Adjutant George White will look into the price and size of flags to be used in the parades.

The membership is coming along well, but if you haven't turned in your dues, please do so. Also, we have lost a few members, so we need new members to reach our 100%. If there are any veterans who don't belong to our Post and would like to, please call Commander John DeCosta, 758-2310, and we will get an application to you.

It was voted to pay next year's insurance and look into increasing it. Our Finance Officer Manuel Rosa will bring back a report to our next meeting.

There will be a Work Party on Saturday,

November 30th, at 8:30 a.m. The Ladies Auxiliary will come and help. We would like to start cleaning the hall and kitchen, and do some painting. We would like to get the hall clean and ready for our Christmas Party on December 7th. Any of our members who can give us some of your time on that day will be appreciated. A lot of hands will make it easy for all.

There was a nice turnout to our meeting and it was nice to see Bobby Nunes back again. I want to thank all of you who came.

I would like to wish all the members and their families a very Happy Thanksgiving Day.

I would like to thank everyone who took part in our Tri-Town Veterans' Day Parade on November 11, 1985, in Wareham. It was a rainy day, but most all units showed up to march. I did see quite a few residents from Mattapoisett watching the Parade, and I would like to thank them.

Please call me or George White, our Service Officer for the Post and Veterans Officer for the town, for any help or questions on Veterans' affairs.

Yours in Comradeship
Commander John N. DeCosta

Marriage/Divorce Center

"Divorce, Children and the Holidays" will be the topic for the Monthly Divorce Open Meeting sponsored by the Marriage/Divorce Center of the Interchurch Council. The speaker will be Ivy Prescott Dwyer, a Licensed Independent Social Worker, who is Coordinator of the Substance Abuse Unit and Clinical Supervisor of the Attleboro Area Youth and Family Services. She is also a consultant of the New Bedford Child and Family Services.

The Divorce Open Meeting for December will be held at the YWCA, 66 Spring Street, New Bedford, on Wednesday, December 4th, at 7:30 p.m. The program is open to the public and there is no charge. For more information contact the Marriage/Divorce Center at 999-2476.

the annual field hockey awards presentation. The Leavitt award is presented to the Dartmouth College field hockey player who made the greatest contribution to the team, both on and off the field.

"Nicki crowned a great career in Dartmouth field hockey by earning the team's two major awards," said Dartmouth Coach Mary Twyman. "For the good of the team, she gave up her position at forward and potential All-Ivy recognition there. Dartmouth will certainly miss her dedication to the program, her teamwork and her athletic ability in the years to come."

Last season Nicki led the team in scoring. As a goalkeeper this season she recorded 140 saves. She came out of the goal to play the forward line against Vermont this season and registered one goal and one assist.

Nicki is the daughter of Mrs. Jocelyn Demakis of Mattapoisett.

tions include hay rides, weekly bagpiping and story hours for children, decorated period rooms, a craft and folk art store, and a glass harmonica concert. Funding for "Christmas in Old New Bedford" is provided by The New Bedford Five Cents Savings Bank.

The celebration opens on Friday, November 29, with three floors of authentically decorated galleries and period rooms. Costumed guides will show visitors through the 1821 Rumford kitchen and country store, the 1885 double parlor, and two special reenactments of the historic home's Christmas history: the Rodman children's nursery on Christmas Eve, 1821, and the Ellis family's last Christmas, 1888.

A weekly program of bagpiping, followed by a children's story hour, begins Saturday, November 30. Piper Alex Gair will pipe Scottish tunes from noon until 1:00, continuing on December 7, 14 and 21. At 1:00, children from ages 3-6 are invited to a free story hour, led by story teller Andrea Desbiens. Children will meet in the double parlor, and move to the Museum's private Victorian room on the third floor. Parents may accompany children or continue to visit in the Glass Museum. The story hour also continues December 7, 14 and 21.

On Saturday, December 28, free hayrides will be offered through the Waterfront Historic District from 11:00 until 3:30 p.m. Passengers will embark on Bethel Street, behind the Glass Museum. Rain or snow date is Sunday, December 29.

On Saturday evening, December 28, a gala performance on the world's only glass musical instrument, the glass harmonica, will be held in the Glass Museum at 8:00. One of only three players in the world, Vera Myers will perform on this historic instrument, invented by Benjamin Franklin in the 1770's.

The New Bedford Glass Museum is located at 50 North Second Street in the heart of

"Celebrate the Season"

Twenty-six floral designers, antique merchants and specialty shops will transform the Rotch-Jones-Duff House & Garden Museum into a holiday showcase from November 29th through December 15th. The Museum is located at 396 County Street in New Bedford and was built in 1834. The annual "Celebrate the Season" benefits the Museum, now in its second year of operation.

An exciting array of entertainment is scheduled daily in the Museum:

Friday, November 29th, from 5 to 7 p.m., Heidi Dyke, strolling violinst, will present a holiday selection while accompanying the Champagne Preview party.

Sunday, December 1st, from 2 to 3 p.m., the Northeast Chamber Players from the New Bedford area will perform traditional holiday works for strings.

Monday, December 2nd, from 3 to 4:30 p.m., Tammy Beckman, New Bedford educator, will host an "Art for Children" class, and from 4:30 to 6, M. Scott Signer will sing folk music.
